company — profile

PT DIGITAL TERANG
BERCAHAYA

introduction

COMPANY OVERVIEW

Our company focuses on digital innovation in the agriculture and agribusiness sectors, aiming to provide solutions that have a positive impact on farmers, communities, and the overall economy of Indonesia. Through the implementation of cutting-edge technology, we digitalize agricultural processes and the distribution of agribusiness products, as well as optimize supply chains to enhance efficiency and competitiveness within the industry.

vision & mission

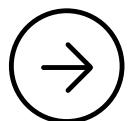

"When I founded Carisayor, God gave me a mission not only to run Carisayor as a business, but also as a divine business for God's glory and to channel blessings to many people."

Becoming a digital company in the agricultural sector that positively impacts many people, supporting the Government of the Republic of Indonesia's social welfare program.
